MEMORANDUM FOR: Director of Data Processing

STATINTL FROM

: [REDACTED]
Chief, Special Projects Staff

SUBJECT

: SPS Weekly Report for Week Ending
18 November 1977

1. SAFE

A. We are receiving comments on the draft Memorandum of Understanding for joint management of the consolidated CIA/DIA SAFE Project. This Memorandum as well as the Project Management Plan are to be ready for joint (DCI and D/DIA) signatures by 1 December 1977.

STATINTL

B. The SAFE Requirements Analysis Document prepared [REDACTED] (one of the SAFE Design Competition Contractors) was delivered to the Government on 11 November 1977. [REDACTED] (the other Design Competition Contractor) is scheduled to deliver its analysis document on 23 November 1977.

STATINTL

C. We are working closely with Systems Analysis Staff/OCR to update the CIA SAFE Requirements Document dated 1 March 1977. The updated Document will respond to the contractors' analyses of the requirements as well as include refinements to the original Document. The updated Document, to be completed by February 1978, will establish the baseline for the SAFE Design Competition.

D. International Telephone and Telegraph (sponsored by ORD and OC) presented a briefing on fiber optics technology on 15 November 1977. In attendance were SPS personnel and SAFE Design Competition contractors' personnel. Two meetings were also held to discuss plans for a Wide-band Communications System test-bed.
